

When an Emergency Strikes...

WILL YOU BE READY TO SAVE A LIFE?

Learn How...  
During National  
CPR/AED Awareness  
Week

June 1-7, 2008 marks the first National CPR/AED Awareness Week. Learn the skills that could save the life of a friend, family member or co-worker. In less time than you think, American Red Cross training can give you the vital knowledge and skills to respond to a life-threatening situation with confidence.

Red Cross CPR/AED training will teach you to:

- Care for conscious and unconscious choking victims
- Perform CPR
- Use an automated external defibrillator (AED) on a victim of sudden cardiac arrest

In partnership with AEP, your business is invited to send two people to be trained **FREE**:
